Night to Dream

Night to Dream is South Central's inaugural prom for individuals with special needs. This event is free for participants to attend and provides an exciting inclusive prom experience!

This event is not possible without the generous donations of time and effort from our volunteers. Please consider volunteering at this wonderful event!

Spectacular Olympics is a wonderful opportunity to spend time with our clients and grow understanding about developmental disabilities within our community.

We are love our volunteers to come and help compete on some events that are too strenuous for some participants. We need vibrant cheerleaing to encourage team spirit. A great opportunity for community service and engagement.

BECOME ONE OF OUR PARTNERS!
